Alternative holistic personal analysis : "Self and Karma"

The necessary data that you must enter

Once you have selected the desired analysis, when prompted, enter your data which is necessary for the Artificial intelligent system to generate the results of your alternative holistic personal analysis. The necessary information that you must enter are the following: name, last name, date of birth, and street number of your home (enter only numbers and letters, NOT the street or avenue name).

Correct enter of your first and last name

Enter your name (as you baptized), if you have not baptized, enter the name you are given. For example, your real name is Joanna, but people call you Jo, you enter the name Joanna. If you have more than one "first name", enter all of them in the name field, for example if your "first" name is Catherine and Jane, you will enter both of them as follows: CatherineJane. The same directions are given in order to enter in a correct way your last name.

Correct enter of your birth date

If the date of birth is different from the one you indicated in your ID, enter the actual date of birth and do not enter the one you have in your ID.

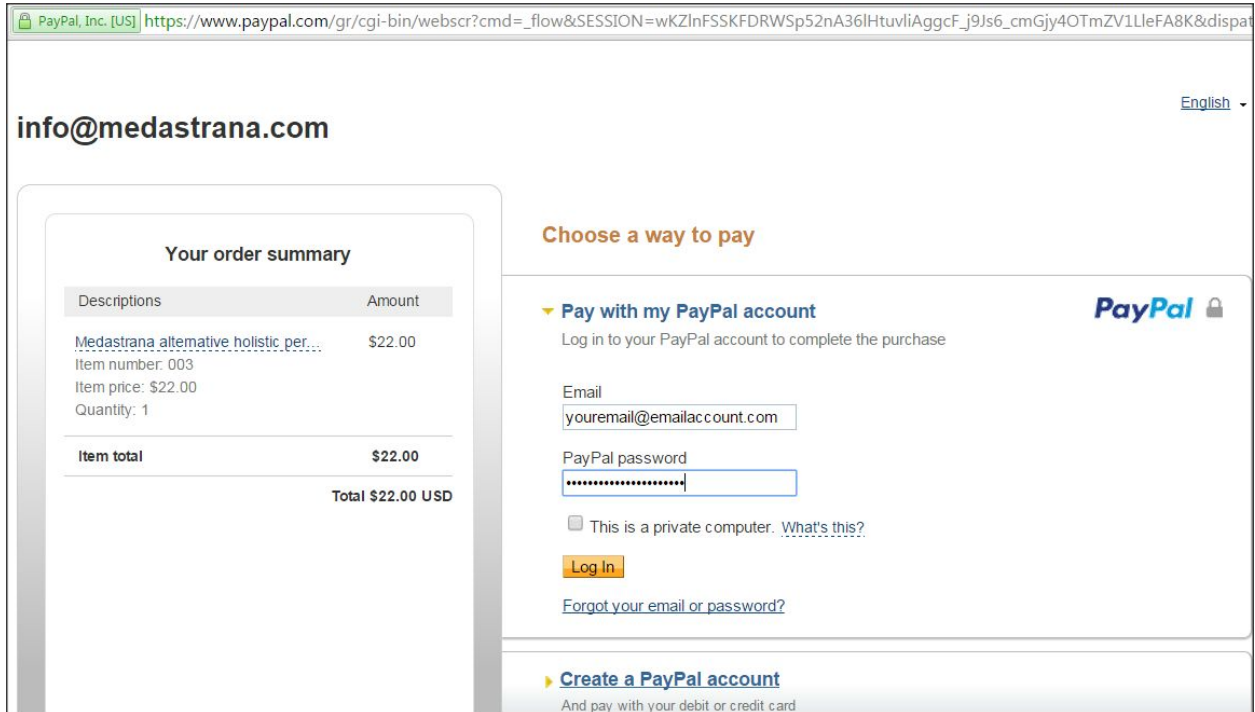

Correct enter of the number of your house

Enter all the numbers you have, for example, the number of your house is 58-60, you will enter all the numbers in a single digit: 5860. If you have more than one entrances in your house, for example, one of your entrances has the number 8 and the other entrance has the number 11, so put the numbers together in one digit: 811. In case that you moved recently, you enter the number of street or avenue that you live now. If the number of the street or avenue contains letters, enter both the numbers and letters, for example the number of your house is 65A, enter: 65A. If your house does not have a number, enter a number that you feel that is the best you could have. *Attention* : DON'T enter the name of the street or avenue.
